Item: Approval of the 2014-2015 Education Protection Account (EPA) Expenditure Plan, Resolution #703

Background:

Proposition 30 was approved by the voters on November 6, 2012. This initiative temporarily increases the state's sales tax rate for all taxpayers and personal income tax rates for upper-income taxpayers. These new revenues are deposited in a newly created account called the Education Protection Account (EPA) to receive and disburse the State General Fund revenues derived from the incremental increases in taxes.

The initiative provides districts, county of offices of education, etc. the sole authority to determine how the monies received from the EPA are spent. The governing board of the district shall make the spending determinations with respect to these monies in open session of a public meeting. The only restriction is that the EPA monies received cannot be used for salaries or benefits for administrators or any other administrative cost.

While Proposition 30 did not prescribe a format for districts to report their receipt and expenditure of EPA funds, Marin County Office of Education has prepared a simple template for districts to use to satisfy the initiative's requirement. The attached template reflects the estimated entitlement being applied to current certificated salaries.

Fiscal Impact:

The California Department of Education website recently posted an EPA calculator for districts to use to estimate their proportionate share of these dollars. Our district entitlement share is estimated to be \$29,646 for 2014-15.

Recommendation:

The Superintendent recommends that the Board approve the Education Protection Account expenditure plan for 2014-15 as presented.
