

# Community Input Sessions

## Local Control Accountability Plan (LCAP)

### Sausalito Marin City School District

Sausalito Marin City School District is developing a plan for the programs and services at Bayside MLK Jr for the next school year and beyond called the LCAP (Local Control and Accountability Plan).

District and School leadership want to hear what's important to you! Join us to learn more about what strategies student data shows we need to strengthen and give us feedback on how to increase and/or improve services for low-income students, English Learner students and foster youth.
